

To Our Valued Customers,

As developments around COVID-19 are released, we continue to evaluate the best ways to help our customers have access to the purpose-built apparel and gear they expect from 5.11 retail stores, while also abiding by the Center for Disease Control (CDC), the World Health Organization (WHO) and other national and local government organizations recommendations related to social distancing.

In an effort to protect our employees while also meeting the recommendation of these agencies, we are reducing store hours across the country to 11am – 7pm, in addition to other safety measures. These store hours will take effect Tuesday, March 17 until further notice.

It is our duty to protect our employees and the customers we serve in our communities and continues to be our greatest priority.

We will share information as we move forward together in a future that is hard to predict. Thank you for your loyalty, patience and understanding. We stand with you and will continue to do all we can to ensure your safety and the safety of our employees.

Francisco J. Morales
CEO, 5.11
